GENERAL ORDER No. 10

In the matter of installing Jacks on the Cars of Street Railway Companies.

AND NOW, May 21st, 1914, it is ordered that each Street Railway Car, engaged daily in operating service upon the surface of streets and highways within this State, be equipped with a jack of a lifting capacity sufficient to raise one-quarter of the total weight of a double truck car and one-half of the total weight of a single truck car at least eight inches.

It is further ordered that one-half of the cars of each Street Railway Company be equipped in the manner as above described on or before December 1st, 1914, and that every car included in the provisions of this order be equipped on or before June 1st, 1915.

BY THE COMMISSION:

A. B. MILLAR,
Secretary.

Commonwealth of Pennsylvania, ss:

I do hereby certify that the above is a true and correct copy of the original order on file in this office.

Witness my hand and seal of The Public Service Commission of the Commonwealth of Pennsylvania, at Harrisburg, this 29th day of May, 1914.
